Soheal Simjee

Mathematics Teacher || MS Educational Technology

Sept 2019 – Awsaj Academy, Qatar Foundation 9th Grade Mathematics Teacher

Lead maths teacher for grade 9 and high school advisor. Working with a wide spectrum of learners with additional needs, I create curriculum and design engaging sessions allowing students to demonstrate problem solving and numeracy growth. I utilize and facilitate flipped learning using Google Classroom & Khan Academy.

Sept 2017 – Awsaj Academy, Qatar Foundation PRIME Teacher of Alternative Learning

Lead maths teacher for grade 11 and 12 and homeroom teacher grade 12. I design and deliver maths lessons around problem solving scenarios which enable pupils to develop and further specific mathematical skills in relation to the AERO standards. Pupils then demonstrate these skills through the use of Kahn Academy and topic based work which enables them to implement mathematical skills in everyday situation.
